SECTION 23

School Display Information (Classes 23001-23002)

1. Entry forms are not necessary for this section, however prior confirmation on school displays is required.
2. Exhibits must be clearly marked with the competitor's full name, school and class on the back of the exhibit.
3. Work is to be carried out under school supervision. No correction by teachers is to be evident.
4. One entry per pupil per class

Due to limited space, all schools must advise the Show Society by Friday 24th July, 2026 if they intend to enter a school display. Please email sarina.showsoc@bigpond.com.au
All exhibits are to be assembled on Wednesday 29th July, 2026 and must be completed by 5.00pm.
Entries are to cover no more than 3 square metres (depending on the number of schools entering) and are judged on the following criteria:-

Visual Impact
First and foremost, you want the public (and the judge) to spend longer in front of your school's exhibit than any other, so visual impact is very important.

Variety
Your exhibit should display a wide range of the activities which make your school an exceptional place for your pupils. Judges look at representation of a range of arts, crafts, schoolwork and activities. The use of a blend of traditional and computerised presentations, along with photographs of a range of pupil activities, will impress both the public and the judges. We want your exhibit to tell the story of the educational experiences enjoyed by the entire range of pupils at your school.

Context
Unobtrusive cards or labels should explain briefly the nature of each aspect of the display and indicate the year level involved. Kindergarten and preschool displays are most effective if they concentrate on a single theme for the main display, with a range of photographs illustrating the production process. Photographs, children's drawings and produced items can help to give a rounded picture of the educational experience you provide for your pupils.

The Role of the Pupils in the Display
Given the limited display space you are allocated, bear in mind that processes and products should be pupil centred, displaying pupil's experiences and achievements.
